States for the Northern District of Ohio for the year ending December 31, 1862, together with all the works deposited in this office pursuant to law concerning copyrights.*

Clerk's Office Dist Court United States  
Cincinnati October 26th 1861

L. P. Holaway  
Commissioner Patent Office Department  
Sir

Your communication in reference to  
copyright matter just received. Owing to the books  
title pages &c having been very much defaced, in fact  
almost ruined, for the second time there has been the delay  
in forwarding them; The only room in which I can securely  
keep matter of this kind, leaks badly during a hard rain, I  
have repeatedly applied to the former, and present, U.S. Marshal,  
whose business I understand it is to have repairs made, and  
have been put off up to the present time, (this occurred in both  
instances during the night) the consequence is that the copyright  
matter, a considerable portion of it will have to be reproduced, or  
rather additional copies obtained from the authors, or publishers,  
before it will be in a condition to forward, which involves an  
additional delay, as soon as this can be effected everything will  
be duly forwarded.

Very respectfully Yours, John McLean Clerk

Or Sir

I send herewith  
list of books &c Copyrights matters  
found on hand, which had been  
apparently kept over by the former  
Clerk — on opening some of the  
packages (I had them put away)  
I found some works, music &c  
some apparently filed & here & there one  
deposited & some without any entry, it  
sometimes happened that parties left  
duplicates, requesting the Clerk to accept  
and pursue them — having no data from  
which to ascertain whether they belong to the  
Copyrights or not I send them all — as soon  
as I have time to collect & arrange them
